

Science, Engineering and Mathematics Link Inc.

Event Sponsorship

Our events allow us to promote student achievement and career exploration in math and science to K-12 students and the general public increasing our impact in the community. Our Science Cafés are informal seminars that introduce the public to current topics and real world applications of math and science. Our Science, Engineering and Mathematics Career Fair and Exhibition exposes K-12 students to the various careers and applications in these disciplines. Our Math and Science Student Achievement Banquet will celebrate the students that achieve academically or engage in activities where they can pursue their interest in math and science.

Please go the distance with us in “unveiling potential through exposure” by supporting one of our events in one of the following ways:

Megameter Sponsors or Friends: Individuals and/or corporations that provide monetary and/or in-kind support valuing \$1,000 or more.

- Recognition on all media (press releases, media advisories, flyers, posters, advertisements)
- Acknowledgement on website
- Logo placement on event materials (banner, guide, etc.)
- Acknowledgement during event
- Full page in event guide
